FROM INDONESIA TO THE WORLD

EXPORT–IMPORT CUSTOMS CLEARANCE

We support export and import customs clearance through structured documentation, regulatory coordination, and experienced operational handling. Our team works closely with customers and relevant parties to help ensure cargo moves through the clearance process efficiently and in accordance with applicable requirements.

OUR APPROACH

We manage each shipment through careful document preparation, proactive communication, and close coordination with the relevant parties throughout the clearance process.

REGULATORY AWARENESS

Aligned with applicable requirements

EXPERIENCED TEAM

Practical operational support

EFFICIENT PROCESS

Focused on minimizing delays

END-TO-END SUPPORT

From documentation to cargo release

OUR SERVICES

EXPORT CLEARANCE

Documentation and clearance coordination for export shipments.

IMPORT CLEARANCE

Import documentation and clearance coordination for all types of cargo.

TRADE FACILITATION

HS classification, duty estimation, and regulatory support.

YOUR CARGO OUR PRIORITY

From documentation to cargo release, we coordinate every step with precision, transparency, and responsive communication.

COMPLIANT PROCESS | RELIABLE EXECUTION | EXPERIENCED PEOPLE | SUPPORTING YOUR BUSINESS

AOG
Aircraft On Ground

When an aircraft is grounded, every minute matters. We provide responsive logistics coordination for urgent aircraft parts, tools, and equipment, helping critical shipments move quickly through airfreight, customs, airport handling, and final delivery.

URGENT RESPONSE
Priority handling for critical shipments

SAFE HANDLING
Careful handling of aviation cargo

EXPERIENCED COORDINATION
Integrated logistics support

GLOBAL CONNECTION
International shipment coordination

ATA CARNET
Temporary Import Support

We assist with documentation and logistics coordination for aircraft parts, tools, and equipment entering Indonesia under temporary import arrangements, helping ensure an efficient and compliant process.

OUR AOG SERVICES

- Urgent airfreight arrangement
- Customs clearance coordination
- Airport handling & cargo coordination
- On-board courier (OBC) arrangement
- Shipment monitoring
- Delivery to final destination

OOG
OUT OF GAUGE & PROJECT CARGO

We handle out of gauge (OOG) and heavy-lift cargo with professional planning, the right equipment, and experienced teams, ensuring your extraordinary cargo reaches its destination safely, securely, and on schedule.

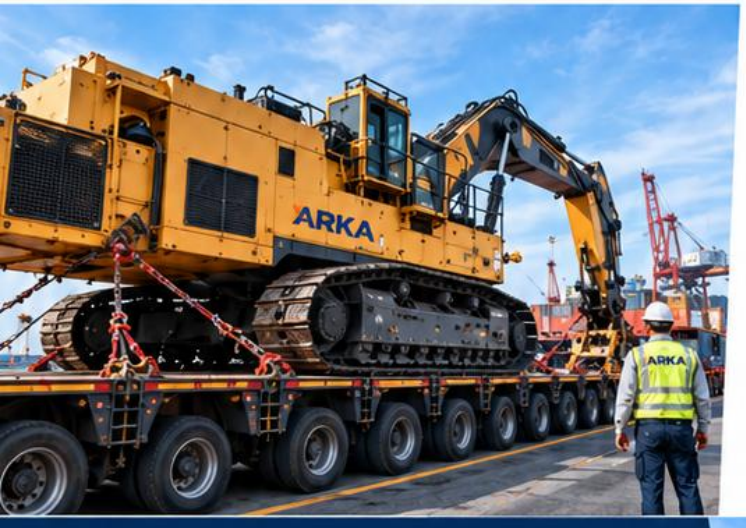

HEAVY-LIFT HANDLING
Safe and efficient lifting operations

SPECIAL EQUIPMENT
Tailored equipment for every project

ROUTE PLANNING
Optimized routes and feasibility study

END-TO-END SUPPORT
From planning to final delivery

FLEXIBLE SOLUTIONS
Short-term and long-term storage

DISTRIBUTION READY
Seamless connection to domestic and international delivery

OUR FACILITIES

STRATEGIC LOCATION
Well-connected to ports, airports, and major routes

PROFESSIONAL TEAM
Experienced and well-trained warehouse personnel

MODERN SYSTEM
Barcode and inventory system for accuracy and efficiency

VALUE BEYOND STORAGE

More than just storage, we provide integrated warehouse solutions that add value to your business—improving efficiency, reducing risk, and keeping your supply chain moving.

OPERATIONAL EFFICIENCY | CARGO SAFETY | RELIABLE SUPPORT | SCALABLE SOLUTIONS

EXPORT–IMPORT LICENSING SUPPORT

We assist you in obtaining the necessary permits and approvals for export and import activities, ensuring full compliance with Indonesian regulations and a smoother cargo flow.

EXPORT PERMITS
Assistance for effective export licensing and regulatory compliance.

IMPORT PERMITS
Support in obtaining import licenses and related approvals.

REGULATORY GUIDANCE
Up-to-date information on applicable laws and trade regulations.

DOCUMENT PREPARATION
Accurate and complete documentation to meet government requirements.

GOVERNMENT COORDINATION
Liaison with relevant authorities for a faster and smoother process.

COMMON LICENSES & APPROVALS

- NIB and business licenses (OSS)
- Importer Identification Number (API-U / API-P)
- Exporter Identification Number (NPE)
- Commodity-specific permits (e.g., SNI, K3L, CITES, etc.)
- Ministry and institutional approvals
- Pre-shipment inspection (if required)
- Other trade-related licenses based on cargo type

PREPARED BEFORE YOUR CARGO MOVES.

With the right permits in place, your cargo moves without delays. We help you stay compliant, minimize risk, and keep your business running smoothly.

EXPERT SUPPORT | REGULATORY COMPLIANCE | FASTER PROCESS | SMOOTHER OPERATIONS
